The book is ready. It's waiting.

We live in an incredibly busy world with so many distractions screaming for our attention that it's a miracle that we get anything done at all. And then we're supposed to create space in an already over-crowded day to provide for the needs of our bodies. We're expected to know somehow what's healthy and then avoid the temptations of easy, quick, convenience foods. No wonder the world is experiencing an explosion in obesity rates. We make life much so more difficult than it needs to be. But that challenge is finally over.

Help is at hand. Real help. Practical, easy, no-nonsense help that will help you take care of the essential issue of eating healthily every single day of your life. And that is how this book came into being.

Beran Parry's three decades of experience as a certified nutritionist with a background in functional medicine enabled me to identify the daily problem that so many patients experienced. They really struggled to find the time to plan meals and source the right ingredients. So she decided to take the strain out of the process and build this fabulous collection of intelligent eating recipes into easy-to-follow meal plans that would just make your life so much easier. A handy reference guide to take care of all the decision making steps of organising the best possible nutrition. Boosting your health. Turning up your happiness. Every single day.

She wants you to feel better than ever. to discover the joys of living with your ideal weight, your energy and health levels to soar. She wants the process to be as easy, comfortable and delicious as possible. She wants you to enjoy the journey.
